HP Premium Plus Photo Satin

HP Premium Plus Photo Satin is a satin photo and proofing media that delivers beautiful prints that resist fading for approximately 70 years*, consistent quality and the colour stability professionals demand.

- Satin finish, colour accuracy, consistent photo-realistic image quality, and colour stability
- Minimal colour shift, resists fading for approximately 70 years*
- Media flexibility to print A3 and A2 full-bleed images

*Preliminary results from tests conducted by Wilhelm Imaging Research, Inc. indicate that prints made with HP No. 85 ink cartridges and HP Premium Plus Photo and Proofing Gloss paper may be displayed indoors under glass for approximately 70 years before noticeable fading and staining will occur. For more details see www.wilhelm-research.com.

Perfect for trade show and event displays, POS and retail displays, photo enlargements and proofing.

Ideal for professional photographers, prepress, proofing and graphic designers.
